Nevada Union High School Parent/Community Volunteer Program

There is a wonderful array of volunteer opportunities available at Nevada Union for parents, community members, and others.

Your volunteer efforts help to keep Nevada Union safe and strong, and help to build a stronger connection between community, students and faculty.

Together we can make a difference!

Below are the various volunteer opportunities that vary in time commitment.

Some are tied to special times of the year, others can be tailored to your own schedule.

*It is now District policy that all volunteers working in direct contact with students on an ongoing basis, be required to take a TB (Tuberculosis) test and have fingerprints on file with the Nevada County Sheriff Department.

Those activities are marked below with an asterisk.
