## **LETTER FROM THE COUNCIL CHAIRPERSON**

*Greetings to all California high school students, parents, and teachers:*

*The Lions of California are pleased to announce the topic for the 2018-2019 Student Speakers Contest - "Freedom of the Press: What Does It Mean?"*

*Now in its 82nd annual year, the Student Speakers Contest is open to all California high school students. The purpose is to encourage and support development of public speaking as a critically important life skill. Participants research the topic, organize the presentation, and then deliver to a supportive audience. This year's contest theme is particularly relevant, with an intended outcome where participants are enriched with a new and deeper understanding of communication and its context.*

*Lions Clubs International is a non-profit worldwide association of 1.5M people with one common purposeful theme of community service. The California Lions are particularly engaged in service areas that recognize and support our youth in leadership development. In this regard, we work hand-in-hand together with other service minded associations, agencies, and individuals.*

*Thank you to the students, parents, educators, contest judges, Student Speakers Foundation, Lions Clubs and members for your personal involvement in this most worthy, special, and fun event.*

*We salute you!*

*Bob Stewart  
Council Chair, 2018-2019

Tellers MUST be secluded while tallying the student speakers' scores.**
2. In all competitions a penalty of 2% for each judge's score shall be imposed for each minute or fraction thereof by which the speaker's talk is less than 5 minutes or more than 10 minutes. After deducting any penalties on timing, the Tellers shall designate the places earned by the various speakers on each judge's Worksheet, such as 1st, 2nd, 3rd, etc., using an OFFICIAL TELLER'S WORKSHEET.
3. When this has been done, the Tellers will add the total number of first places for each speaker, and the one who had earned the majority of first places shall be declared the winner.
4. If no speaker has a majority (over one-half) of the first places, the Tellers will then total the places earned and the contestant with the lowest total of places earned will be declared as the winner.
5. In the event they are tied with the same total of places earned, the tie shall be settled by adding the scores of the tied speakers, and the one with the highest total of such scores, after deducting time penalties, shall be declared the winner of the contest.
6. In the event they also tied with the same percentage scores, the tie shall be settled by using the Timers worksheet and awarding the contest to the speaker who comes closest to, without going over, the maximum ten-minute limit. That person shall therefore be declared the winner of the contest.

7. The contest Chairperson shall review and verify the Teller's worksheets before announcing the results.
8. **Under no circumstances should anyone but the winner be announced. All students not winning should always be considered finalists.**

## **CERTIFICATES**

1. One type of certificate will be used for presentation to judges and contestants at all levels.
2. It is recommended that certificates be typed or professionally printed and placed in presentation folders in advance of the contest. Certificates and templates can be electronically acquired through the MD-4 website. After judging has been completed indicate the level of the contest and "Winner" or "Finalist" on the line in the lower right hand corner of the contestant's certificate.
3. Twelve certificates are included in all Club packets. If additional certificates are required, please call the MD-4 Office or download from the website. ALWAYS USE THE OFFICIAL CERTIFICATE.

## **AFTER THE CONTEST (CHECK WHEN COMPLETED)**

\_\_\_ 1. Make sure the Teller's Worksheet is completed in its entirety including the name of your Club, Zone, Region, District or Area, whichever is appropriate.

\_\_\_ 2. Send the Teller's Worksheet, Judge's Worksheets and contest Winner's Notification form along with any unused printed material to the Chairperson of the next level contest.

\_\_\_ 3. Zone, Region, District and Area Chairs upon receipt of the above material send a photocopy of the form letter of congratulations to the contest winner.

\_\_\_ 4. At least two weeks before the prior level contest send the original form letter of congratulations to your prior level chair. In the letter give the date, time, place and reservation requirements. Example: A Club contest is scheduled for February 18. The Zone Chair sends the form letter to that Club Chair by February 4 to be given to the winner of that contest.

\_\_\_ 5. The scores given by the judges for an INDIVIDUAL STUDENT may be given to that student or the student's speech coach. Do not identify the judges or disclose the scores of the other students.

\_\_\_ 6. The Club Chairperson shall present the Student Speakers handbook to the winner at the conclusion of the Club Contest.

## **HISTORY**

### **BY PAST INTERNATIONAL DIRECTOR DWIGHT STANFORD**

When District 4 was split up into five Sub-Districts in 1937, Fred Smith (later International President) became the first District Governor of District 4-C. His District ran from Stockton down to the southern end of the San Joaquin Valley and included the coast Area from Paso Robles through Oxnard. He realized that the Clubs in his new District had nothing more in common than they did with the Club in San Francisco or San Diego. He expressed his thought to the other officers in his District and asked for suggestions. One of his Deputy District Governors, Frank Colston, superintendant of schools in Oxnard, suggested a student speaker contest for high school students in the District. The idea was approved as something that would give all the Clubs in the District something in common and hopefully, would bring them closer together as a unit. From that we are told, the contest was a great success.

The following year, James Hodges, District Governor from Covina, proposed to the Council of Governors that Fred's speech contest become a project for all of District Four. The proposal was adopted and the contest has been one of our District's principal projects ever since. During the past sixty years, many groups and Clubs have followed our lead by engaging in joint service activities. It is one of the stars in our MD-4 crown.

In the beginning the Student Speaker Foundation was organized by Don Snyder, District Governor of 4-A3, 1958-59 who first asked PIP Fred Smith and then International Director Dwight Stanford to join him as the organizers and first directors of the Foundation. Don did all the work getting IRS and California taxing authorities approval. He is now a lifetime, honorary director of the Foundation, as is Dwight Stanford.

The Foundation's first cash came from the profits of the Lions Goods Store at the MD-4 convention. District Governor Al Mendel of Apple Valley, 1961-62, ran the store and suggested the gift. The first few years of the Foundation were a bit thorny. It was hard for the organization to collect money when it had very little prestige. Gradually the situation changed and the Foundation began to supplement the prizes which heretofore had been paid for entirety out of the MD-4 budget. Foundation funds come entirely from voluntary donations and income from the accumulated assets.

Past International President Fred Smith was the first President of the Foundation, followed by Past International Directors Dwight Stanford and Robert E. Anderson. Past District Governors Seeley J. Kondris, George "Jake" Jacobssen served between 1994 and 2002, Gordon Wellman served between 2002 and 2005, PDG Al Ohrmund served between 2005- 2012, PDG Ken Sherwood served between 2012-2015, PCC William Dunlevy served 2015-2016 and the current president is PDG Chris Ohrmund.

For the 2018-2019 Contest, the Foundation will provide all of the prizes above the Region level, as it has done now for many years. Each of the 15 District winners will receive a \$4,500 scholarship. The four Area winners will each receive an additional \$6,500 and the final MD-4 winner another \$10,000. For the latter, the total accumulated scholarships will be \$21,000 and the other three Area winners will have \$11,000 each. Total scholarships awarded in the Contest amount to \$103,500; all from the Foundation.

# **STATEMENTS FROM THE 2017-2018 STUDENT SPEAKER MD-4 FINAL CONTEST**

## **MD-4 CONTEST WINNER**

**Enrique Arcilla — Area 4**

*“When I first frantically merged onto the I-15, I had no idea that a small moment of wonder at a bustling freeway would lead to one of the most fulfilling experiences of my life. As I wrote the first paragraphs of my speech, using what I saw as a silly metaphor about driving, I was primarily excited about the rigors of competition. Six months later, I am happy to say that the 2017-2018 Student Speaker Contest was so much more than what is in the name.*

*This year’s contest was one, massive lesson for me in what makes a quality person. The most obvious source of learning was, of course, the prompt. Integrity and civility are two indispensable parts of an individual and a society, and I better grasp how vital they are for me to exercise after competing. The topic meant a lot to me, but not quite as much as the people I met while involved. From my first club-level competition, I was inspired by the Apple Valley Lions Club. Their dedication and altruism alone demonstrate the kind of qualities I seek to emulate in my adult life, which I soon saw extended throughout the entire organization. However, I would be remiss if I didn’t emphasize how important the Apple Valley Lions were in specific, along with the High Desert Yak Pak Toastmasters Club and, of course, my endlessly kind parents.*

*I count the opportunities granted to me by the MD-4 Lions and the many people who supported me through each competition as instrumental for my growth not only as a student and professional, but as a human being. Integrity and civility are only the beginning of what I learned from this year, thanks to the contest.”*

## **MD-4 CONTEST FINALIST**

**Kory Parsons — Area 1**

*I am so very grateful to have competed in the Lions Club student speakers competition and making it to the state finals. It was a great learning experience that taught me so much about not only public speaking but also the spirit of competition. I was introduced to so many amazing and successful lawyers, mayors, teachers etc. who I know will all be great connections for my future! I was able to win a significant amount of scholarship money that will definitely help me through my college years. Big thanks to my Lions club for following me throughout this competition and supporting me!*

## MD-4 CONTEST FINALIST

### Lauren Valles — Area 2

*I cannot explain how much this year's Lions Student Speaker Contest helped me in my academic and professional pursuits. It was a one of a kind speaking experience that not only helped me grow as a speaker and student but also permanently connected me with my community and the service efforts of the San Bruno Lions Club.*

*With regard to academic pursuits, the experience I had researching for this year's topic "Integrity and Civility Play What Role in Today's Society" transcended anything I could have learned in the classroom. To adequately respond to this year's topic, I had to investigate current events and politics, learn how to analyze rhetoric and semantics, and make well informed conclusions about our world's current political polarization. The investigation required for the topic was extremely relevant, which is something not found very often in the school setting. Writing this year's speech also gave me experience in persuading an audience in person as opposed to on paper, which considerably helped my speaking abilities. I'm excited to put this newfound speaking knowledge into action as a Political Science student at UCLA this fall, where I'm sure school presentations and projects will resemble the task of writing my response for this year's contest.*

*Professionally, I believe this year's contest gave me a solid foundation for my career pursuits. In the future I plan on being a lawyer and possibly even a government official. Drafting this year's speech and competing at each level, during which I had to prove my speaking abilities to the audience, will help me immensely in my efforts to become an attorney. Throughout the competition, I learned how to speak concisely and confidently, which are necessities when practicing the law. I also learned how to consider multiple sources and opinions to come to my own conclusions, and how to use evidence to defend said conclusions. I feel prepared to tackle a pre-law track in college and later become a lawyer after my experience as a Lions Student Speaker Area 2 Winner.*

*More than the academic and professional benefits of the contest, I also gained a greater connection with the San Bruno Lions Club and my hometown community. I was so touched that members of the club made the trip down to Visalia to watch me in the MD-4 competition, and am excited to continue volunteering with the club at their fireworks booth and other events.*

*Academically, professionally, and with regard to my hometown community, this year's Lions Student*

*Speaker Contest helped me become a better speaker, critical thinker, and learner. It challenged me to create and defend my own opinions, and I will always be thankful for the opportunity to represent my hometown in such a way.*

**MD-4 CONTEST FINALIST**  
**Noah Sveiven — Area 3**

*Kind people warm my heart. In the Lions MD-4 Student Speaker Contest, kind people abound. In fact, the people are the aspect of the contest that I most enjoy. The hardworking Lions who serve their communities well, the fellow contestants with reflective thoughts to share and an able voice to share them, and the audience members with supportive smiles on their faces—such people are not the exception in MD-4; such people constitute Multiple District Four.*

*As a competitive public speaker, I never speak to win, because if I allowed my highest purpose to be victory, then every loss would be an opportunity for disappointment. For this reason, I view every chance to speak in front of an audience a precious gift: a chance to spread an important message about a vital topic. With this nobler purpose, I can never lose, because the results of a contest are irrelevant to the satisfaction I feel. I have not been alone in this approach. The friends I have made in the Student Speaker Contest share this perspective. We have all been happier for it; it has made the experience even more worthwhile.*

*I am grateful for the members of the Palmdale Lions Club for their support and affection and innumerable words of loving encouragement—and to the Lions of Area 3—and to the entire Lions MD-4 community for the care with which they help cultivate us younglings. As I like to say, the young people of Planet Earth are not merely the leaders of tomorrow; as the Student Speaker Contest demonstrates, they are also a fraction of the leaders of today.*

*I am also grateful for my parents, whose unconditional love is the foundation of my joy and for whom I owe my knack to say what's on my mind; and for my siblings, who inspire me daily; and for friends who indulge me with timers and smiles and tender nods; and for Erica and for Dana, whose companionship I cherish and always will.*

*Multiple District Four, your generosity and goodwill are sources of inspiration. Namaste.*
