

November 28, 2017

Dear Alumni, Parent, Grandparent, Friend,

Before the holiday season gets underway, I wanted to ask you something:
Is November 28th marked on your calendar?

November 28th is #GivingTuesday, a global day of giving. I'm sure your holiday calendar is filling up. Could you pledge today to support our Nevada Joint Union High School District, a specific high school, academic, athletic or arts program within the district during our #GivingTuesday campaign?

Please pledge today to donate to Nevada Joint Union High School District.

Each dollar you invest in Nevada Joint Union High School District helps our community's young people achieve one step closer to being fully prepared for our ever changing world. We know that during their educational journey, one of the most important factors in success is the strong community support we so enjoy in Nevada County. Your donations are tax deductible and 100% of your donation goes to the school or program you have chosen.

[Pledge today to take part in our #GivingTuesday campaign](#)—then fulfill your pledge any time between now and December 31st. It might just be the most significant, far-reaching, and impactful gift you give all season.

Stronger with you,

Barbara J. Ross
