

Superintendent's Report

Board of Trustees Meeting

September 12, 2018

Brett W. McFadden

Update on my 100 Day Plan

Overview of activities since August board meeting:

- Weekly visits to sites and programs
- Initiated weekly classroom observations
- Attending full range of school and student related events
- Actively engaged in community organizations:
 - 49er Rotary
 - Nevada County Economic Resource Council
 - Tech Connection
- Meeting with regional and local government leaders
- Monthly meetings with employee associations
- Established relationships with local press
- Initiating meetings with various non-profit leaders

Outlook and focus

Areas of initial focus:

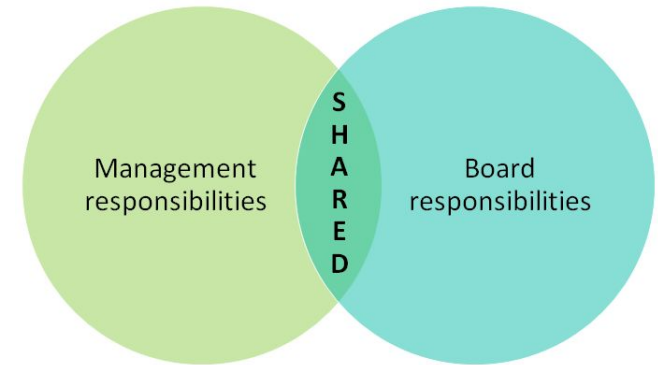

- Listening and learning
- Relationship building
- Supporting site and program leaders
- Establishing strong executive cabinet
- Being visible on sites and in programs
- Community engagement
- Greater focus on teaching, learning, student well-being in all we do
- Facilitating greater emphasis on equity and restorative justice
- Protecting and maintaining district's fiscal health

September 26 Board Study Session

- ❑ Focused on effective governance
- ❑ Review and establish early norms between Board and Superintendent
 - Culture of no surprises
 - Shared responsibilities
 - Strong / open communication
 - Board meeting protocols
 - Superintendent communication to the board
 - Initial expectations of board and Superintendent
- ❑ Seek to hold all day session post November elections
 - Establish clear goals for Superintendent in 18-19

Final comments

Thank You
