

Superintendent's Report

Board of Trustees Meeting

November 14, 2018

Brett W. McFadden

Board / Superintendent Governance

With completion of the Superintendent's 100-Day Plan, along with the November Elections....

- ☐ Time to schedule Board / Superintendent Governance Workshop

☐ Purpose:

- Review Superintendent's first 100 days.
- Set board expectations and goals for the Superintendent.
- Initiate review and update of district's mission statement and five-year goals.

Superintendent:

Outlook and focus for 2018-19

Superintendent's focus for 2018-19:

- ☐ Oversee daily operations and issues
- ☐ Listening and learning
- ☐ Continue relationship building
- ☐ Supporting site and program leaders
- ☐ Cementing strong executive cabinet
- ☐ Being visible on sites and in programs
- ☐ Community engagement
- ☐ Greater focus on teaching, learning, student well-being in all we do
- ☐ Facilitating greater emphasis on equity and restorative justice
- ☐ Protecting and maintaining district's fiscal health

NOTE:

Some areas / issues are in need to policy action this year – they can't wait

Areas of focus

Issues / areas in need of policy action / improvement:

- ☐ **Special education and pupil services**
 - Greater alignment and focus of these service areas
- ☐ **Silver Springs High School**
 - Need to consolidate leadership and oversight?
 - Additional intervention services / personnel
- ☐ **Career Technical Education**
 - What is the program's direction and future?
- ☐ **Curriculum and instructional leadership**
 - Increased assistance and focus for school sites

Areas of focus Continued

☐ **Measure B Bond Program**

- Review and update project priorities and direction aligned to school and student needs

☐ **2019-20 Local Control Accountability Plan**

- Develop and refocus of the plan

☐ **District goals and mission statement**

- Do we need think in more bold terms?
- Do we need a WAG – wildly ambitious goal?
- Be the best high school district in California?

☐ **Fiscal health and operational efficiency**

- Maintain fiscal health in alignment with district goals
- Continue to increase operational efficiencies

Next steps

Over the next several months, staff will be presenting informational and action items related to these areas / issues

For example:

- ☐ December: Pre-LCAP Discussion
- ☐ January: Present plan on SSHS Board / Supt. Governance workshop
- ☐ February - April: LCAP and budget planning and input Bond priorities

Final comments

Thank You
