- 1 See your *Evidence of Coverage* (EOC) or check with your company's plan administrator for your specific benefit coverage.
- 2 Although most consumers who enroll in an HDHP are eligible to open an HSA, members should consult with a financial adviser to determine if an HSA/HDHP is a good financial fit for them. Blue Shield does not offer tax advice or HSAs. HSAs are offered through financial institutions. For more information about HSAs, eligibility and the law's current provisions, consumers should ask their financial or tax adviser. HSA plan features may vary by institution and may be subject to change by those institutions.
