Board Discussion________________________
Public Comment________________________
(Board Discussion)_______________________
Motion by_________Second by_________
(Board Discussion)_______________________
Vote:___________________________________

*Background:*
District administration is recommending an Energy Management System at Bear River High School similar to the one completed at Nevada Union High School last summer. The system provides direct digital control to all mechanical equipment allowing staff the ability to monitor thermal comfort at all times. The District will receive approximately $130,000 each year over the next five years from Proposition 39 funding allocated for energy savings projects. The administration is proposing using two years of Prop 39 funding for this project which is estimated to cost $351,000.

5. **NU Science/Library Stucco Replacement** (Suenram)
